We are a few months into the new financial software. Like any new process, we have had successes and some challenges. We've recently had some informational sessions on the new reporting system and software with Commissions and Committees.

And we want to hear from you!

We want to have a conversation regarding any outstanding questions about the conversion to Springbrook, financial reporting, changes from cash to modified accrual, or any outstanding financial questions you may have.

All citizens, committee members, Commissioners, Councilors, and team members are invited to attend.

We hope you will join us for this dialogue.

NOTICE OF POSSIBLE CITY COUNCIL QUORUM

The Mayor and City Councilors may be attending the meeting and there may be a quorum of the Council during the event. However, this is not as City Council meeting: no City business, Council deliberation or decision-making will be conducted during the event.

This meeting is open to the public and all interested persons are invited to attend. This meeting will be audio taped. All items to be considered by the Commission must be submitted to City Hall no later than one week prior to the meeting.
